

### Guidelines for Poster Presentation:

Please print the poster on 2ft \* 4ft vertical dimensions and provide an X standee for display of your poster at the conference.

Preferred font size: 20 - 24 minimum. Any font sans serif such as Arial may be used.

Each poster should include the title, all author's names and their affiliations, the abstract including objectives, hypotheses, brief introduction, main theoretical framework, method, results and implications/recommendations.

Please note that all posters will be displayed for the duration of the conference and will be reviewed during the break. All authors or nominated representatives may be present after the inaugural ceremony on the 21st of May 2026 for review of the posters and relevant questions by a designated panel.
