DIRECTOR GENERAL'S MESSAGE

VICE ADMIRAL (R) ATHER MUKHTAR HI(M)
Director General
Bahria University Health Sciences Campus Karachi

It is a moment of immense pleasure and delight to convey my feelings on the auspicious occasion of 12th Convocation. Convocation as we know marks the culmination of education program and beginning of professional career. This year a total of 299 students are passing out from the 13th batch of MBBS, 10th batch of BDS, 8th batch of BS-Nursing, 7th batch of MPhil postgraduate, 5th batch of Doctor of Physical Therapy (DPT) and Medical Lab Technology (MLT). It is a major milestone which the graduates have attained through hard work, perseverance and commitment, for which they deserve complements. Here I also wish to congratulate the parents and guardians on this great achievement of their loved ones. My special praise for the medal winners and distinction holders. The positions and distinctions attained by the students speak high about the hard work not only by the students, but untiring efforts put in by the faculty as well.

The young doctors, physical therapist, nurses and medical lab technologists who are about to step into their respective professions must remember that devotion, commitment and sincerity are the keys to successful professional career. While I expect you to excel in the fields you have chosen, I urge you to be passionate towards destitute and weak segment of our society. Since a large population of Pakistan lives in rural areas and are deprived of health care facilities, you must reach out to them at least in the earlier part of your careers and occasionally later on.

Dear graduates, together we have developed BUHSC (K) into a health sciences campus of high repute, which we endeavor to raise to newer heights. In Sha Allah as alumni, it will be your responsibility to carry Bahria University's flag, wherever your career takes you. We also expect you to remain in contact with your parent institute and we will welcome any request for support that you might need. We will also appreciate your valuable input to make up the curriculum short comings, while you are pursuing your careers.

I wish all the graduates, a bright and successful future. May you all stay blessed and safe.

Good Luck!

DEAN'S MESSAGE (MEDICAL COLLEGE)

Prof. Dr. Shazia Shakoor
Dean Health Sciences, BU

Heartfelt congratulations to the graduating Doctors for reaching this remarkable milestone! This remarkable achievement is a testament to your dedication, perseverance, and commitment to excellence. Today not only marks a significant milestone in your personal and professional journey but also a proud moment for the entire Bahria University Health Sciences community. I extend my heartfelt congratulations to you and your families, whose unwavering support and encouragement have been instrumental in your success.

Your journey through BUHS has equipped you with strong academic foundations, clinical competence, and the essential values of empathy, integrity, and professionalism. Through a dynamic and learner-centered curriculum—encompassing interactive teaching, problem-based learning, clinical exposure, community engagement, and research—you have developed into capable and compassionate healthcare professionals, ready to serve humanity with dedication and skill.

I urge you to carry forward the principles you have learned here and continue striving for excellence in all your future endeavors. The medical profession is not just a career; it is a lifelong commitment to service, learning, and ethical practice. As you step into the professional world, remain curious, adaptable, and resilient in the face of evolving challenges. Let your knowledge, compassion, and leadership guide you in making meaningful contributions to society.

I also take this opportunity to acknowledge and appreciate the proud parents and devoted teachers who have played a vital role in shaping your journey. Their guidance and sacrifices have been pivotal in bringing you to this proud moment.

Remember, this is not a farewell but the beginning of a new chapter. You are now part of the Bahria University alumni network—a community of professionals making a difference across the nation and beyond. Your achievements will continue to reflect the values and vision of this institution.

As you move forward, be bold in your aspirations, steadfast in your principles, and committed to improving the lives of others. May you bring honor to your profession, your alma mater, and Pakistan.

I wish you all continued success and a bright future ahead.
May Allah bless you all.

PRINCIPAL'S MESSAGE MEDICAL COLLEGE

MAJ GEN PROF DR SHEHLA M. BAQAI HI(M) (R),
Principal Bahria University Medical College
Bahria University Health Sciences, Karachi

Congratulations, Class of 2025! It gives me immense pleasure and pride to extend my heartfelt congratulations to each one of you on this momentous occasion. Today marks a significant milestone not only in your personal and professional journeys but also in the continuing history of Bahria University Health Sciences. On behalf of the entire BUHS family, I warmly congratulate our graduating students, their proud parents and families who have supported them every step of the way.

Your success today is the result of years of dedication, perseverance, and hard work. Each of you should take immense pride in what you have achieved. You leave this institution equipped not only with knowledge and clinical skills, but also with the confidence, compassion, and leadership required to serve humanity. I am confident that wherever you go, you will bring distinction and honor to your alma mater.

I would also like to acknowledge the invaluable role of parents and families. Your unwavering support, sacrifice, and encouragement have been instrumental in shaping these young professionals. This achievement is as much yours as it is theirs.

At BUHS, we strive to offer a curriculum that goes beyond the acquisition of knowledge. Our programs are designed to integrate academic rigor with the realities of clinical practice through interactive and problem-based learning, internships, electives, community engagement, workshops, journal clubs, and mentorship. Our learner-centered approach aims to nurture graduates who are articulate, inquisitive, compassionate, and ethically grounded—professionals who can communicate effectively, listen with empathy, and serve society with integrity.

As you step into a world that is rapidly evolving, I encourage you to remain dedicated and forward-thinking. Be willing to explore new paths, challenge conventional boundaries, and adapt to change, shaping it for the betterment of society. Strive not only to excel professionally but also to uphold the values of honesty, empathy, and service.

Remember with gratitude the teachers and mentors who guided and supported you throughout your journey. Their dedication has helped shape the professionals you are becoming. Today is not a farewell. Rather, it marks the beginning of your lifelong relationship with the Bahria University alumni community a global network of professionals and leaders committed to making a difference. Your achievements will continue to shape the legacy and vision of this institution. The MBBS degree you receive today is among the most honorable and respected in society, represent a commitment to the science and the art of healing. With this responsibility comes the privilege of improving lives and serving humanity. As you begin your professional journey, I urge you to continue striving for excellence, pursue lifelong learning, and uphold the highest standards of professionalism, compassion, and ethical conduct.

Be bold in your aspirations, united in purpose, and dedicated to service. May your work bring pride to Bahria University, to your families, and to Pakistan.

I wish you every success in your future endeavors and look forward to seeing you shine as leaders and change-makers in the world. May Allah bless you all.

PRINCIPAL'S MESSAGE (DENTAL COLLEGE)

PROF. KASHIF NAQVI
Principal Dental College
Bahria University Health Sciences, Karachi

I am delighted and honored to witness the formal graduation ceremony of 10th Batch Class of 2022-2025.

It is a proud moment for our graduating students and their family members.

Today marks a significant milestone in your journey—a day of celebration. But also a day of reflection; reflecting on what you have achieved and reflecting on how you will use this gift for the uplift of not only yourself but also of those around you.

Dentistry is evolving rapidly and embracing technological advancements. I strongly advocate that you embrace lifelong learning—attend conferences, read scientific journals, and collaborate with colleagues. Be open to innovation and adapt to new techniques and tools.

You as healthcare professional, are in a unique privileged position. Don't lose the trust that our patients have in us. Listen attentively, treat them with kindness.

I expect that you will uphold the highest ethical standards. Strive for excellence, but never compromise on honesty and integrity.

You are now part of our ever growing alumni. Keep in touch; you will always be welcome!

Wishing you all successful and rewarding years ahead

PRINCIPAL'S MESSAGE (BUHS-PGI)

PROF. DR. BIBI KULSOOM
Principal BUHS-PGI
Bahria University Health Sciences Campus Karachi

On behalf of the faculty and staff, I want to tell you how proud we are of your accomplishment. It is an event worth sharing and celebrating with your parents, family, faculty, administrators, and other stakeholders who have been part of your success. Today we celebrate your resilience, your determination, and your remarkable achievement. Most of all it is the moment to recognize all your efforts and hard work as you burnt your midnight candles to acquire added knowledge, skills and competencies and to develop further your attitudes and values to overcome the challenges of the time.

We prepare, empower and propel every student towards a successful future. You are a shining example of that mission in action. You have been consistently showing up in both challenges as well as in celebrations. You have chosen to walk a path together, steadfast in friendship, love and honor for one another, transforming lives in what would seem small, yet are immensely palpable in significant ways.

Seek, witness, encounter, and be conscious that you are accountable to Allah Almighty especially when you are dealing with other human beings or working for the wellbeing of the society. So along with collecting rewards of your hard work and achievements in *Dunya*, for you and your family, try for collecting the rewards of *Akhirah* as well that are promised by Allah Almighty, the most loving and most kind.

Dear graduates, it is our hope that you continue to approach each moment, with mindfulness and compassion, recognizing the immense power you hold to shape the world around us for the greater good. Like the delicate and seemingly fragile wings of the butterfly, whose flutter can set in motion a series of events that reverberate across vast distances, shaping the course of nature itself, your impact within Bahria University as well as national & international communities will continue to be profound.

Whether a star at night or the sun rising in the day, shine brightly within the tapestry of humanity, so others can follow, enlightening the world with kindness, unity, compassion, and love. May Allah Almighty bless you abundantly as you make your mark. Congratulations and may your future be filled with joy, success, and endless blessings.

PRINCIPAL'S MESSAGE COLLEGE OF PHYSICAL THERAPY

Dr. Khalid Aziz
Senior Associate Professor
Principal College of Physical Therapy
Bahria University Health Sciences Campus Karachi

On behalf of Bahria University and College of Physical Therapy I extend my sincere congratulations to all Health Sciences graduates especially to the graduates of Doctor of Physical Therapy.

Bahria University Health sciences campus is one of the best institutions in Pakistan providing health education in different disciplines as par international standards. The pillars of our program are dedicated and highly qualified faculty with comprehensive learning environment like fully equipped labs, tertiary care hospital for clinical training and purposeful building.

Bahria University College of Physical Therapy was established in 2017. The sole responsibility of DPT graduates is to serve communities and improve the quality of life of impaired persons with empathy, compassion, honesty and integrity. This behaviour towards community and patients leads to enhance the name of profession.

This is also time for your parents to feel proud of themselves as they have successfully helped their children to reach the position they are at and the students must be thankful to their parents. Your choice to select Physical Therapy as a profession is one of the best decision in your life. Physical Therapy is a most emerging and respectable profession worldwide. WHO recognizes Physical Therapy as an independent profession.

Physical Therapy profession demands a great deal from you; your patience, compassion, empathy, hard work, acquisition of knowledge in research and competition with your colleagues as well as among the different health professionals.

Honesty and respect towards ailing community is the backbone of your profession. The high moral character will always be your attribute and customs.

Once again, my heartiest congratulations to all of you and best wishes for success in all your future endeavors.

May ALLAH SWT bless you and make your tasks easy and achievable.

PRINCIPAL'S MESSAGE (PAKISTAN NAVY NURSING COLLEGE)

CDR RUKHSANA YASMEEN

VICE PRINCIPAL'S MESSAGE (MEDICAL COLLEGE)

PROF. DR. KHALID MUSTAFA
Vice Principal (Medical Section)
Bahria University Health Sciences Campus Karachi

Congratulations on your achievement in becoming successful doctors from the esteemed Bahria University Health Sciences! Graduating from a medical college is a testament to your unwavering dedication, persistent effort, and relentless pursuit of your goals. While this milestone signifies a significant accomplishment, it also signifies the beginning of a journey that still stretches ahead. Always bear in mind the importance of serving your country and community, offering your best regardless of differences in caste, color, or creed.

The essence of medical education lies in equipping oneself with the necessary knowledge, skills, and attitudes to become proficient medical professionals. As doctors, it is imperative to uphold exemplary character and ethical standards. Dedicate yourselves wholeheartedly to your profession, as this phase marks the inception of your professional journey, where your attitude will shape your trajectory and serve as a remedy in real-life scenarios.

I earnestly hope that each of you will continue to pursue learning, honing your skills, and striving for academic excellence in your respective areas of interest within the medical field

VICE PRINCIPAL'S MESSAGE (DENTAL COLLEGE)

PROF. DR. FARZEEN TANWIR
Vice Principal Dental College
Bahria University Health Sciences Campus Karachi

Today I want to congratulate our 9th batch of dental graduates (2020-2024). It is a special day not only for us but also for parents to see their children becoming doctors. It is a celebration of the culmination of 4 years of study, struggle, and hard work. On this day, you will be awarded BDS degree and will become a part of the global dental community. Dentistry is an art and science and a lifetime commitment to serve the humanity with patience, empathy and knowledge that has been inculcated into you over the period of all these years. We hope it will be an occasion that you will cherish for the rest of your lives.

It is also an extra ordinary day for the parents, families and friends of the graduates. The achievement of BDS degree was not possible without the support of those nearest to you. BUDC is proud of its dental graduates and we hope you are equally proud to become part of Bahria University Alumni. At BUDC, we have facilitated you in understanding dental sciences and taught you the skills which you will need in your dental practice. However, constant research and keeping yourself scientifically equipped in the need of today's world and we expect the dental graduates to be lifelong learners. We hope you will take confidence from the long history of Bahria University graduates that have gone on to great success in life. We also hope you will remember your time here as being some of the happiest years of your life.

On behalf of entire Dental College faculty and staff I wish you every success for the life ahead.

VICE PRINCIPAL'S MESSAGE (BU PNNC)

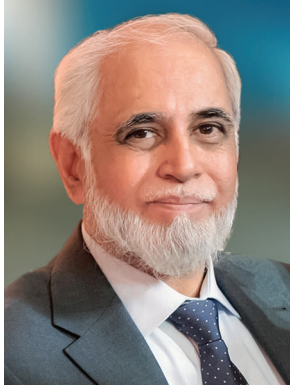

Abida Razzaq
Vice Principal BU PNNC
Bahria University Health Sciences Campus Karachi

Dear Graduates of Convocation 2026 our proud 1st Civilian Batch and 9th Cadet Batch it is with immense pride and heartfelt congratulations that I celebrate this historic milestone with you. Today marks not only the completion of your academic journey but the beginning of your professional calling as nurses who will serve with competence, compassion, and integrity. As the first civilian graduates, you carry the honor of setting standards and shaping the identity of future cohorts, while our cadet graduates continue the legacy of discipline, excellence, and service to the nation. Throughout your training, you have demonstrated resilience, dedication, and the ability to rise to challenges—qualities that define true nursing professionals. As you step into clinical practice, remember that nursing is not just a profession but a commitment to humanity, where every action has the power to heal, comfort, and transform lives. Carry forward the values you have learned, remain lifelong learners, uphold ethical practice, and lead with confidence in every setting you enter. You are not only graduates of PNNC, but ambassadors of excellence for the nursing profession in Pakistan.

I wish you continued success and the courage to make a meaningful difference in healthcare and society.

CHAIRMAN PUBLICATION COMMITTEE'S MESSAGE

PROF. DR. IQBAL HUSSAIN UDAIPURWALA
Chairman Publication Committee
Head Of ENT Department
Bahria University Health Sciences Campus Karachi

It is with profound pride and pleasure that I extend my heartfelt congratulations to all the graduates and postgraduates on the memorable occasion of the 12th Convocation of Bahria University Health Sciences Campus, Karachi. Although convocation is a milestone that celebrates the culmination of years of intellectual growth, but at the same time, it marks the beginning of professional journey.

Today's rapidly evolving world of medicine and health sciences demands professionals who are not only academically competent but also ethically strong, socially responsible and adaptable to change. The graduates of this institution have been trained not merely to treat diseases, but to care for human beings with empathy, compassion and professionalism. As you enter the next phase of your careers as physicians, dentists, nurses, physiotherapists, researchers, and allied health professionals, remember that your role extends beyond hospitals and clinics. You are ambassadors of health, advocates of preventive medicine and contributors to scientific advancement and community wellbeing. Modern healthcare is witnessing unprecedented progress in areas such as digital medicine, artificial intelligence, precision diagnostics and evidence-based practice. While technology continues to transform healthcare delivery, the human values of empathy, integrity and ethical responsibility must always remain at the heart of medical practice. Strive to combine scientific excellence with humanity, and remain committed to lifelong learning so that you continue to grow as professionals and as individuals.

This convocation magazine has been prepared with great care and enthusiasm by the Publication Committee. Our aim was not only to document this significant academic event but also to capture the spirit, achievements and aspirations of the Bahria University Health Sciences Campus community. I sincerely appreciate the commitment, creativity and teamwork of all committee members who have worked diligently to bring this publication to fruition.

As you move forward, carry with you the values and traditions of Bahria University Health Sciences Campus. May you contribute to the advancement of healthcare, inspire positive change in society, and uphold the honour of your alma mater through your professional excellence and ethical conduct.

In the end, I wish all graduating students continued success, resilience and fulfilment in their future endeavours. Ameen.
