EVIDENCE DOCUMENT | INDICATOR 3.3.3

Shared sports facilities

METRIC 3.3 Collaborations and health services

REFERENCE YEAR	COVERAGE	DATE PREPARED
2025	Local community and visiting institutions	31 October 2026

ISSUING OFFICE	EVIDENCE ID
Directorate of Quality Assurance, Head Office	E-03-3.3.3

THE SIR 2027 REQUIREMENT

Share sports facilities with the local community, for instance with local schools or with the general public.

01 Statement of Evidence

Bahria University's direct answer to the requirement

Bahria University shares its sports facilities with external community clubs and educational institutions through recurring hosted matches, tournaments and coaching activities. During 2025, Islamabad Campus hosted local basketball and volleyball clubs, visiting university teams and an international basketball camp, while Karachi Campus hosted fixtures with Al-Kawther University and SZABIST. These records demonstrate repeated use of BU venues across the year. At H-11 Campus, the documented community sports programme provided free entry for visiting college and university players, including women. The University's reviewed Sports Policy explicitly extends facility access to local schools, community groups and the general public, including free access for registered school groups and BUHO-approved charges for other use. The policy was reviewed, amended and officially approved by Director Admin, Bahria University Head Office, on 25 August 2025; its subsequent second edition is dated 22 July 2026.

02 Evidence and Activity Record

Dated facts and records that substantiate the statement

Bahria University provides organised access to its own playing spaces for community clubs and visiting educational institutions. The following records identify the host campus, external users and sports delivered during 2025. Original event extracts and photographs accompany the relevant activities.

TABLE 1 Hosted community and inter university sport during 2025

No.	2025 date	Sport and shared BU venue	External community or visiting users	Delivered activity
1	3 January	Basketball, BUIC gymnasium	Islamabad Bulls Club	Hosted friendly match
2	15 January	Basketball, BUIC gymnasium	Islamabad Reporter Club	Hosted friendly match
3	11–16 February	BUIC playing facilities: basketball, volleyball, futsal, table tennis and badminton	All Islamabad University Sports Week Gala	Multi sport hosted programme
4	28 February	Volleyball, BUIC	Islamabad Bulls Club	Hosted friendly match
5	April; public report 23 April, concluding 28 April	Indoor basketball courts, Jahangir Khan Gymnasium, E-8 Campus	Federal Basketball Association and Coaches Team International; players beyond BU	International training camp and coaching
6	30 April	Volleyball, BUIC	Islamic International University female team	Hosted friendly match
7	14 May	Badminton, BUIC	NUML Islamabad	Hosted friendly match

The January and February club fixtures demonstrate repeated access by local sports organisations. The university gala and later visiting-team matches extend that access to the regional educational community. These activities use BU venues and provide opportunities for physical activity, practice and competition alongside BU students.

1 Karachi fixtures and further public activity

2025 date or publication	Host campus and facility	External users	Activity and recorded outcome
16 February	Karachi Campus futsal court	Al-Kawther University	Exhibition match hosted at BUKC; BU won 11–3.
8 October	Karachi Campus volleyball court	SZABIST	Friendly match hosted at BUKC; BU won 2–1 in sets.
Publicised 26 December; individual match dates unstated	Islamabad Campus	Teams from 25 universities across Pakistan	BU organised an inter-university volleyball tournament, extending its hosted sports programme beyond the local club fixtures.

Official BU public event record Inter University Volleyball Tournament

The December public account records participation from 25 universities. This is a count of institutions rather than individual athletes. It adds evidence of the breadth of BU's hosted competition programme without being combined with the earlier fixtures as a unique-person total.

1.1 Facilities available to support organised sport

The University's published sports page identifies basketball, volleyball, badminton, table tennis and futsal provision, together with separate male and female fitness centres and seating for 300 spectators. It describes a gymnasium renovated in 2022. These facilities support the indoor court activities documented in the hosted programme.

Official BU sports facilities webpage https://www.bahria.edu.pk/page/PageTemplate4?pageContentId=3141&websiteId=4

Facility sharing connects campus infrastructure with the sporting needs of the surrounding community. Club fixtures provide playing time for external participants, educational visits create opportunities for interaction between institutions, and coaching camps combine access to courts with structured skills development.

2 Recurring community use of Islamabad sports facilities

At Islamabad Campus, the gymnasium hosted basketball fixtures with Islamabad Bulls Club on 3 January and Islamabad Reporter Club on 15 January 2025. A further volleyball match with Bulls Club was held at BUIC on 28 February. The programme also included a multi-day All Islamabad University Sports Week Gala on 11–16 February, women's volleyball with Islamic International University on 30 April, and badminton with NUML Islamabad on 14 May.

S NO	DATE	NAME OF EVENT	GAME	VENUE	STATUS
1.	06 Nov 2024	Men HEC Zone D Championship	Table Tennis	NUST	2nd Position
2.	13 Nov 2024	Men HEC Zone D Championship	Table Tennis	MUST AJK	4TH Position

14.	14 May 25	Friendly Match BUIC V/S NUML IBD	Badminton	BUIC	WIN BUIC

Figure 1: Original sports return identifying dates, sports, opponents and venues. The BUIC and BUIC GYM entries establish hosted activities; records naming external venues are separate participation activities.

The named clubs, repeated dates and specific BU venue entries substantiate a continuing pattern of facility use. The 7 May H-11 sports entry is an internal campus activity and remains distinct from the external-community examples described above.

2.1 Basketball coaching for players beyond the University

Bahria University made its indoor basketball courts available for a training camp delivered with the Federal Basketball Association and US-based Coaches Team International. Coaches Luke Elie and Jacob Kim provided practical instruction in basketball skills, tactics, team coordination and fitness. Contemporary reporting dated 23 April 2025 identifies BU as the venue and records the camp's conclusion on 28 April. It also records mentorship for five local coaches, extending the benefit to the wider coaching community.

BU's public account, issued on 9 May 2025, records 40 participating players from across Pakistan, including eight BU athletes. The inclusion of players beyond the University demonstrates that access to this campus sporting facility served the wider sporting community. BU provided the indoor venue and logistical support for the visiting coaches and athletes.

Official BU basketball camp account https://www.facebook.com/officialBU/videos/2497031300662421/
Contemporary public report dated 23 April 2025 International Basketball Training Camp

Figure 2: Basketball players and officials with the US coach in BU's indoor gymnasium, within the academic-year 2024–2025 sports record.

Figure 3: Women's basketball representation with the visiting coach. The visible court, hoop and participant engagement illustrate the coaching setting.

The annual sports return records an April coaching programme and seven players under its own reporting entry. That figure is retained in the original return above and is not added to, or substituted for, the 40-player total reported in BU's public camp account.

3 Shared futsal provision with Al Kawther University

On 16 February 2025, Bahria University Karachi Campus hosted Al-Kawther University for a futsal exhibition match at BUKC. Visiting athletes used the University's court in a scheduled competitive activity alongside the BU team. The documented venue and named external opponent provide direct evidence of campus sports provision extending to another institution. BU won the match 11–3.

Futsal Exhibition Match: BUKC vs Al-kawther University

The futsal exhibition match was played at BUKC on 16 February 2025 against Al-kawther University. BUKC dominated the contest and won by 11 goals to 3. The key details are summarised below.

Event Type	Futsal Exhibition Match
Competing Teams	BUKC vs Al-kawther University
Date	16 February 2025
Venue	BUKC
Final Result	BUKC won by 11-3 goals

Figure 4: Original event entry recording the external opponent, date, BUKC venue and match result.

Figure 5: BU players and officials beside the Al-Kawther versus Bahria exhibition-match banner, 16 February 2025.

Figure 6: The team and officials assembled at the court-side event banner, corroborating the hosted exhibition setting.

3.1 Shared volleyball provision with SZABIST

On 8 October 2025, Karachi Campus hosted SZABIST for a friendly volleyball match at BUKC. The activity made the BU volleyball court available to visiting university athletes and continued the pattern of hosted external fixtures later in the calendar year. BU won 2–1 in sets. The original event record and court photographs below establish the activity and its on-campus setting.

Friendly Volleyball Match: BUKC vs SZABIST

This section records the friendly volleyball match played between BUKC and SZABIST at BUKC on 08 October 2025. BUKC won the match 2-1 in sets. The key details are summarised below.

Event Type	Friendly Volleyball Match
Competing Teams	BUKC vs SZABIST
Date	08 October 2025
Venue	BUKC
Final Result	BUKC won by 2-1 sets

Figure 7: Original event entry identifying SZABIST, 8 October 2025 and the BUKC host venue.

Figure 8: Players using the Karachi Campus volleyball court during the documented friendly fixture.

Figure 9: A further view of play across the net on the shared court.

Figure 10: Visiting and BU players participating in the scheduled court activity.

Figure 11: Court-side view of the volleyball match and campus playing area.

4 Free community sports access at H 11 Campus

Bahria University H-11 Campus welcomed players from local colleges and universities, including female athletes, to participate alongside BU students. The programme included football, volleyball and badminton. Entry was free of charge, allowing invited educational-community participants to use the University's sports spaces without an entry fee.

The programme demonstrates practical sharing through organised participation at a BU campus. Football and volleyball encouraged team play and physical activity, while badminton provided a further opportunity for recreational and competitive engagement. The accompanying institutional account records free access; its individual activity date is not specified.

Community Sports Outreach: BU H-11 Campus

Players from local colleges and universities, including female athletes, visited the BU H-11 Campus to take part in a range of sports activities alongside Bahria University students. The programme featured football, volleyball and badminton matches. Entry was free of charge, in support of shared sports facilities for local communities and other educational institutes.

Figure 12: Original community sports account explicitly describing visiting college and university players, women's participation, the sports offered and free entry.

Figure 13: Participants assembled on the campus sports area, from the H-11 community programme gallery.

Figure 14: Players beside the visibly identified BU H-11 Campus building and multipurpose court.

4.1 Community participation across the sports programme

Figure 15: Participating players assembled on the court in the supplied community sports gallery.

Figure 16: A further participating group at the BU H-11 multipurpose playing area.

Figure 17: Women's badminton participation in the community programme gallery.

Figure 18: Women's team participation illustrating inclusive access to organised sport.

Figure 19: Wider view of the H-11 playing area and assembled participants. The court markings and campus setting show the physical facility used for the programme.

5 Earlier hosted activity within academic year 2024 2025

Karachi Campus hosted the 5th Bahria Inter-University Volleyball Tournament on 8–10 October 2024. The fixture register identifies NUST-PNEC, FAST-NUCES, the Institute of Business Management, Iqra University and Karachi University among the external opponents using the BUKC venue. These dated records demonstrate hosted sharing earlier in the University's academic-year 2024–2025 reporting cycle.

TOURNAMENTS/CHAMPIONSHIP/FRIENDLY MATCHES INSIDE/OUTSIDE THE CAMPUS JULY-2024-JUNE 2025

5.1 HEC Zone D volleyball at Islamabad Campus

The Islamabad sports return separately records the Men's HEC Zone D Volleyball Championship at BUIC on 15 November 2024. Its accompanying photographs show teams and officials using the indoor playing facility. This organised inter-university use provides further continuity within the academic year ending in 2025; the actual 2024 date is retained.

Figure 21: Team and officials at the hosted HEC Zone D volleyball activity at BUIC.

6.3 Institutional policy for sharing sports facilities

Bahria University's reviewed Sports Policy establishes an explicit community-access framework across its campuses. Clause 1.3.1 extends the policy's scope to local schools, community groups and members of the public. Clause 1.15.2 requires each campus to open its sports facilities to these users outside the hours needed by students and staff.

Clause 1.15.2 provides free access for registered school groups and also refers to free access for specified facilities. The supplied policy retains the wording "[named facilities]"; the clause does not identify particular courts in that category. Other use is charged at rates approved by Bahria University Head Office. Campuses must publish the facilities, hours, booking procedure and rates; maintain booking and user records; and apply common safety, conduct and identification requirements. The Sports Officer must report community use annually to the Deputy Director Sports.

Policy provision	Institutional arrangement	Connection to shared community use
1.3.1	Policy includes local schools, community groups and the public.	External users are expressly within scope.
1.4.1 and 1.4.2	BUHO oversight and dedicated campus sports staff; execution, maintenance and local inter-university matches.	Campus staff manage facilities and hosted activity.
1.15.2	Access outside student/staff hours; free registered school groups and provision for specified facilities; approved rates for other use.	Provides the community access and charging framework.
1.15.2	Publish access information, retain bookings/users and report community use annually.	Sets out public information and accountability requirements.
1.17.1	Monitor utilisation and condition; maintain safe, usable facilities; prioritise accessibility in future projects.	Supports continuity and quality of sports provision.

The Sports Policy was reviewed, amended and officially approved by Director Admin, Bahria University Head Office, on 25 August 2025. The updated amendment register records the first edition on that date, with paragraph 1.3.1(d) and paragraph 1.15.2 identified as new provisions. A subsequent second edition is dated 22 July 2026 under case file BUHO/SPORTS/2026. These policy dates are distinguished from the individual dates of the hosted activities reproduced elsewhere in this evidence.

6.4 Clauses on community eligibility and access

The original policy wording expressly names local schools, community groups and the general public, and defines the conditions for sharing campus sports facilities.

1.3 Scope of Policy

1.3.1 This policy shall apply to:

a. All students (male & female)

b. All academic and non-academic staff

c. All Campuses, institutes, and departments of Bahria University

d. Local schools, community groups and members of the public, as users of Campus sports facilities under para 1.15.2.

1

Figure 27: Original clause 1.3.1, including external community users in the policy scope, printed page 1.

1.15.2 Sharing Facilities with the Community. Each Campus shall open its sports facilities to local schools and the general public outside the hours needed by students and staff. Access is free of charge for [named facilities] and for registered school groups; other use is charged at rates approved by BUHO. Each Campus shall publish the facilities, hours, booking procedure and rates on its website and keep records of bookings and users. Safety, conduct and identification rules apply equally to all users. The Sports Officer shall report community use to DD Sports each year.

Figure 28: Original clause 1.15.2, covering community sharing, free access categories, other approved charges, public information, booking records, safety and annual reporting, printed page 7.

6.5 Management of shared sports provision

Campus Sports Officers and BUHO provide the management structure for sports activities and facilities. Clause 1.4 assigns institutional oversight, execution of the sports policy, supervision and maintenance of facilities, organisation of local inter-university matches and post-event reporting. These defined responsibilities provide an administrative basis for campus sports provision and hosted activities.

1.4 Management

1.4.1 The overall responsibility/ authority for managing/ administering of university sports activities is vested with BUHO under DD Sports. Each Campus/ CU of the Bahria University is to have dedicated sports staff and sports activities are to be looked after by Sports Officer/ DD Sports (under the Director Campus/ Principal CU). Various administrative tasks with regards to provision of sports facilities and physical activity for the students, conduct/ arrangements for sports events, etc. rest with the respective sports departments/ offices at campuses/ CUs.

1.4.2 The functions of the Sports Department at BU Campuses/ CUs are:

a. To execute the BU Sports Policy.

b. To pursue the cause of sports culture and inculcate qualities of sportsmanship among students.

c. To supervise and maintain the university sports facilities.

d. To chalk out Intra-university Sports Program (annual basis). The intra-university activities may be arranged on Faculty/ Inter-class / Departmental basis.

e. To plan and organize sports tournaments/ matches with other universities (at local level).

f. To forward Post event reports for all sports events to BUHO.

g. To prepare teams to take part in the inter university and other tournaments and matches and nominate president/ captain and vice-captain of various games of the University.

h. To appoint team manager and team coach for the teams. Generally, sports officer campus and PTI are to be appointed for the purpose. Girls team are to be accompanied by a lady teacher/ staff.

j. To prepare the annual sports budget (keeping all activities for team preparation/ practice matches, organizing of sports events, provision/ maintenance of sports facilities, etc.

k. To maintain stores in accordance with the instructions as per the university rules/ regulations.

l. To maintain record of the members of the university teams in different games and their performance and achievements. Record of players is to be maintained as per the HEC requirement given vide 'student entry form' and to be forwarded to BUHO for submission in HEC sports portal.

Figure 29: Original management provisions under clause 1.4, including institutional oversight, campus sports staff, policy execution, facility supervision and local inter-university matches, printed page 2.

6.6 Maintenance monitoring and continuity of provision

The infrastructure provisions establish monitoring, maintenance and resource planning, supporting facilities that remain safe and usable for organised sport. Clause 1.17.1 also commits future projects to accessible design, specialised equipment where required and safe access routes for differently-abled students.

1.17 Sports Infrastructure Management

1.17.1 Bahria University is committed to the effective management of sports infrastructure to support physical well-being and institutional excellence. This includes continuous monitoring and improvement of facilities, strategic resource allocation through phased development and sustainable maintenance practices to ensure long-term usability as follows:

Figure 30: Opening of clause 1.17.1 and the monitoring provision, printed page 7; continued in the extract below.

a. Monitoring and Continuous Improvement. A monitoring mechanism should be established at Campus level to regularly assess the utilization, condition, and effectiveness of sports facilities. Feedback from students, faculty, and sports committees is to be incorporated to guide continuous improvement and future planning. Deductions from Campus monitoring mechanism are to be forwarded to Admin Dte BUHO in May and December every year.

b. Sustainability and Maintenance. Sustainable practices should be integrated into infrastructure development, including the use of eco-friendly materials, energy-efficient lighting, and water conservation measures. A structured maintenance plan will be implemented by every Campus to ensure longevity, safety, and optimal performance of all available facilities.

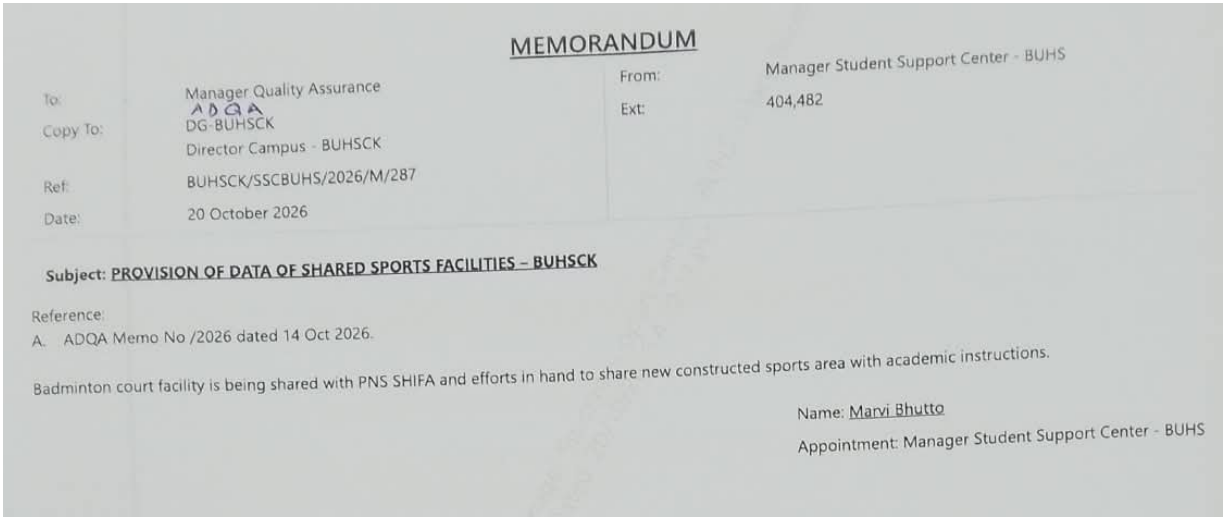

c. Phased Implementation and Resource Allocation. The development of sports infrastructure will be carried out in phases based on campus needs assessments, student population, and available resources. The University will allocate dedicated budgets and explore partnerships, sponsorships, and collaborations to support these initiatives.

d. Inclusion and Accessibility. All future sports infrastructure projects will prioritize inclusivity by incorporating facilities that are accessible to differently-abled students. This includes appropriate design modifications, specialized equipment where required, and safe access routes.

Figure 31: Continuation of clause 1.17.1 covering monitoring, maintenance, resource allocation and inclusion, printed page 8.

7 Continuing facility sharing at Health Sciences Campus Karachi

A Student Support Center memorandum dated 20 October 2026 confirms that the badminton court at Bahria University Health Sciences Campus Karachi is being shared with PNS Shifa. It also records efforts to extend access to the newly constructed sports area to academic institutions. Existing badminton sharing and the proposed expansion are distinct provisions in the memorandum.

MEMORANDUM

Copy To: ADQA, DG-BUHSCK, Director Campus - BUHSCK
Ref: BUHSCK/SSCBUHS/2026/M/287
Date: 20 October 2026

From: Manager Student Support Center - BUHS
Ext: 404,482

Subject: PROVISION OF DATA OF SHARED SPORTS FACILITIES – BUHSCK

Reference:
A. ADQA Memo No /2026 dated 14 Oct 2026.

Badminton court facility is being shared with PNS SHIFA and efforts in hand to share new constructed sports area with academic instructions.

Name: Marvi Bhutto
Appointment: Manager Student Support Center - BUHS

Figure 32: Original memorandum on shared sports facilities, dated 20 October 2026, identifying PNS Shifa badminton sharing and proposed access expansion.

This later institutional confirmation complements the dated 2025 club matches, visiting-university fixtures and basketball camp. Together with H-11's documented free community programme and the explicit policy framework, the records demonstrate several practical routes through which BU sports facilities serve users beyond its enrolled student population.
