### Objectives of the Degree Program

- To inculcate advanced knowledge of law in particular of international perspective
- To comprehend the relation between continuing attainment of knowledge and skills and meeting professional responsibilities
- To enhanced understanding of fundamental doctrines and principles of law
- To understand the basic philosophies and practice of legislative enactment and interpretations
- To foster an enlightened devotion to the rule of law
- To read, comprehend and use cases, statutes and rules to solve legal problems and construct legal arguments
- To nurture a culture of excellent and genuine research in law, and to learn techniques for improving one's own writing, time management, self-reflection and skills for successful academic study and practice
- To learn techniques of convincing written advocacy
- To develop the intellectual, practical and transferable skills necessary for employment in the legal profession and other careers along with adequate exposure to industry
- To make substantial contributions, through creation of knowledge for the wellbeing of the citizens of Pakistan, and the people in the region and elsewhere.
- To adopt innovative teaching methods to increase critical and analytical skills
- To instill higher legal moral values, legal ethics and observance through conduct and practice

### Learning outcome of the Degree Program

The Department of Law is offering undergraduate program, which require students to show a great deal of initiative and self-discipline. Through a combination of independent study and group work, students learn the skills they need to succeed both personally and professionally. This is done through lectures, case studies, reports, essays and dissertations, group work, project work, oral presentations by students, role models, seminars and tutorials, practical field work through legal clinics and mock trials. Equip students with knowledge and understanding of the fundamental doctrines and principles of legal knowledge. Develop respect for the Rule of Law and Human Rights
